

Residency Requirement(s) and Verification Notice

In accordance with Sections 10-186, 10-220 and 10-253(d) of the Connecticut General Statutes, the Ledyard Board of Education requires proof of residency in Ledyard during the school enrollment process. Individuals seeking enrollment in Ledyard Public Schools are required to provide such proof. All residency documents submitted are subject to verification by the Ledyard Board of Education. Proof of residency is also required for a change of address within the town.

Pursuant to Section 10-253 (d) of the Connecticut General Statutes, a child living with any individual other than the child's parent/legal guardian can attend school in the district only if such residence is (1) permanent; (2) provided without pay; and (3) not solely for the purpose of gaining school accommodations. In accordance with the statute, the district has the right to require proof that all three requirements have been satisfied.

In accordance with Section 10-186(b) (4) of the Connecticut General Statutes, if it is determined a student has been enrolled in Ledyard Public Schools in violation of the statutes referenced above, the Ledyard Board of Education has the right to assess tuition. Such tuition will be based on the district's per diem net current local education expenditure (as defined in section 10-261), multiplied by the number of days the student was improperly enrolled in Ledyard Public Schools. In addition, the statute provides that the Board of Education may seek to recover the amount of the assessment through available civil remedies.

By signing below, you acknowledge you have read and understand the residency requirements of enrollment in Ledyard Public Schools. You understand the Ledyard Board of Education has the authority to impose tuition as outlined above if the student being enrolled is not a resident of Ledyard. You also understand the Ledyard Board of Education has the right to pursue any and all legal remedies in the event that a student is enrolled improperly.

You hereby give consent to the Ledyard Board of Education to verify any information pertaining to the permanent residency of all pertinent parties involved in this registration.
